August Theme: All Ball

Welcome to the **B**ob L. Burger **A**fter **S**chool **E**nrichment program (BASE)! We are very excited about getting to know some new faces as well as catching up with the familiar ones!

This month we plan to kick start the school year having a ball! We're sure to have fun, be active, and stay healthy!

Coming Soon!!!

The City of Lafayette is currently working on improving and upgrading our playground. We received a grant from CDPHE Recycling Incentive Grant to replace the surfacing with pour-in-place materials. This is made with seventy-one thousand pounds of recycled Colorado tires. Along with the new surfacing, we will be adding cool new features to our already exciting equipment. We are anticipating the completion of the project to be done the second week of September. In the mean time, our program will be utilizing the City park fields, nature walks, and fun & games in the gym.

We will be providing a snack so Please keep us informed of any allergies and/or special dietary needs.

- **If your child is absent from school for any reason please let us know so we can update our daily rosters. Please call the direct BASE line at 720-849-1552 and leave a message.**

We look forward to providing care for your child and being a part of their education.

Keep an eye on the calendar of events.

- **Please remember to use the absent form when your child will be out.**
