Children enrolled in the first session and/or have reserved a spot with the early registration will automatically be enrolled in this program through May 2013.

OUR PHILOSOPHY

At the Bob L. Burger Recreation Center we strive for a loving and joyful environment where children, families and teachers come together to enrich and touch the lives of the future.

The preschool program focuses on the whole child as we offer hands on experiences that enrich and build each child's learning skills according to their age and ability.
