# December “Ice Age”

December 1-31, 2012

## Hello Friends!

B.A.S.E. in December is a wonderful time to spread the holiday cheer! It allows us the opportunity to slow down and enjoy the little things that might get overlooked in our ever busy lives. B.A.S.E. would like to thank you all for a wonderful start to the school year. We have thoroughly enjoyed these last few months and hope you have too!

Starting with an “Ice Age” theme, our awesome staff have created a wonderful list of activities that will leave your child(ren) wanting more! We are dedicated to making sure every child’s experience at B.A.S.E. leaves a positive

## Winter “Chill-Out” Camp & School’s Out at B.A.S.E.

### Register Early!

Stressed about what to do with your child when school’s out?? No need for stress because our program offers full day camps for every child in need! We provide a fun and active environment for the kids to enjoy. We offer three full days in the month of December where the kids will experience many different activities each and every day.

December 26th: Talent Show and Magnet making.
December 27th: Swim at the BBRC.
December 28th: Ice Skating at the YMCA.

## Classroom Update

Last month our staff introduced the new B.A.S.E. poster and what it stands for to the children. It has been an amazing addition to our classroom.

B- Be Respectful
Awesome Attitude
S- Safe Play
E- Explore Creativity

All of the children have grasped onto the concept of the poster and it has been very helpful. This month our plan is to focus on our “A” and having an awesome attitude!

## Saying Goodbye is Never Easy!

Our much beloved Ms. Jordyn’s last day at B.A.S.E. will be December 13th. She has made a huge impact on all of us here at B.A.S.E. and we will be sad to see her go. We have two more weeks with her so let’s show her just how much we’ll miss

## Things to keep in mind…

- We need your help with a few of our art projects this month! If you can, please help us by bringing in empty water bottles with the lids on them.
- Please keep us updated on your child’s allergies and dietary information.

Lastly, we want to let you know how much we appreciate you and your child! Have a great Holiday!
