***What a Wonderful World***

We are excited as we begin our learning adventures together! Family, friendship and cooperation will be our focus this month. Respecting ourselves and others can help us to discover the wonders of teamwork.

Our many physical activities will help students to feel confident about themselves as their bodies grow.

You can encourage early literacy skills with your child by:

- reading street signs
- identifying license plate letters
- looking for letters on cereal boxes
- singing songs
- playing with letter sounds
- creating lego letters
- READING with your child!!!

**Remember to bring labeled water bottles daily!**

As part of our wellness initiative, each month we will include a healthy food goal for families:
THIS MONTH
*try to serve fruits and vegetables at every meal (letsmove.org)

☺

AND...we will also include a healthy activity goal:
THIS MONTH
Fit activity into daily routines:
stand on one foot while brushing teeth

*A teacher takes a seed of promise,*
*tends it with encouragement,*
*and watches as it grows...*
*Knowing that one day,*
*it will be the fruit*
*that feeds the world...*

If your child has a birthday, let's make it festive and healthy and focus on fun activities and nutritious food☺
