2014 Budget Request – Review of Presentation

Marjie reviewed her presentation to Council for the entire group since she was moved up to an earlier slot and Kathy, Laura and Kristi, who attended at the designated time, missed it. The group discussed the WRAC presentation and the other Committee's presentations. Doug will keep the group informed on Council's progress related to this budget request.

2013 Peach Festival Volunteers

Group discussed and set the schedule for the WRAC Board at the Peach Festival. The volunteer situation, status and schedule was also discussed and reviewed by the group. Various outside groups and organizations will be contacted by various members of WRAC for Peach volunteers. Doug discussed the changes taking place at Peach concerning food vendors acquiring compostable cutlery and cups directly from Eco-Cycle.

Old/New Business

LOSAC would like to meet with WRAC at the September meeting to discuss ZW activities at LOSAC events. The Lafayette elementary schools are looking to hold electronics recycle event in late September with Metech and Doug will keep the group apprised of the date. The WRAC application form will be reworked with Board member and Alternate selection and the new form forwarded to Julie to route to Ms. Fargo who may be interested to apply as an Alternate. Shelly discussed the movement in South Point to have curbside composting services and the group discussed how this would fit into next year's proposal to offer City-wide three cart system to Council.
