Sec. 70-18. - Removal of snow or ice requirements and restrictions.

- (a) It shall be unlawful and constitute a nuisance for any person to allow snow or ice to remain on any sidewalk open to the public and abutting or adjoining the property controlled, owned or occupied by such person after twenty-four (24) hours of the last measurable snowfall or snowdrift.
- (b) It is unlawful and constitutes a nuisance for any person, without the permission of the director of public works or the director's designate, to throw, deposit, or scatter or cause to be thrown, deposited or scattered upon any public place, other than the curb line, snow or ice removed from any property.
