2013 Sponsor Opportunities

Make an impact on Childhood Obesity

A community scavenger hunt in Old Town
raising funds for youth scholarships at the
Bob L. Burger Recreation Center

Lafayette Quest

Scavenger Hunt

What is LafayetteQuest?

Lafayette Quest is a **new community event** engaging participants in a fun and exciting activity. Teams of 2-4 will strategize their way through a **traditional scavenger hunt** by following clues, participating in healthy challenges, and utilizing **smart phone technology**. Teams will check in at activity/checkpoint stations and earn points by **performing silly human tricks**. Along the way, teams will uncover additional clues, find QR codes, and take photos to earn extra points. **Prizes** will be awarded to teams who finish first, accumulate the most points, and wear the best uniforms/costumes!

Childhood obesity is at an all-time high. The idea behind Lafayette Quest is to partner with schools, low-income health programs, and community groups to provide access to the Recreation Center for admissions, programs, and classes which in turn will encourage and support active, healthy, lifestyle habits in our community.

How much of my sponsorship will go to youth scholarships? 100 PERCENT of all participants' registration fees will go directly into a fund that will be made available for youth scholarships at the Bob L. Burger Recreation Center.

No less than 80 PERCENT of all sponsorship dollars will be placed into that same fund. Businesses can take pride in the direct effect you will have to make an impact on the health of youth.

2013 LafayetteQuest

- Saturday, September 28 from 9:00-11:00
