

## GENERAL INTEREST PROGRAMS

# INTRO TO TWIRLING BY HIGH PEAKS TWIRLERS

Come and experience the fun of baton twirling! Learn the basics of twirling, such as vertical and horizontal twirls, rolls, tosses, marching, and beginning dance steps. These skills will all be put together in a fun routine which will be performed at the Louisville Parade of Lights in December. This class is taught by Mindy Hurd, director of High Peaks Twirlers. Mindy is a former feature twirler at Arizona State University

and has been coaching twirlers for 15 years.

Students need to purchase baton for \$26 (plus tax) on the first day of class or bring their own (instructor must approve).

### \*LITTLE PIGGY SENSORY EXPERIENCE BABIES New!

6 MONTHS - 1 YR

A fun new sensory exploration program that you and your developing baby can share. Every week we will discuss developmental strategies for you to use at home with your baby. The activities we will share in class will allow your child to use all his/her senses while exploring safely with you at their side. Some of these may include finger paints, water play, fabric exploration, some baby signs and baby massage techniques. Every session is different as they are built on the enrolled children's ability levels. Babies who are sitting up and reaching for objects to crawling infants are welcome to join us.

### \*LITTLE PIGGY SENSORY EXPERIENCE

When was the last time you and your child got completely immersed in a full sensory experience? One that used all five senses? Our children's developing brains need sensory play to form important pathways. In this class you and your child will dig into a fun new sensory activity every week which may include aromatherapy play dough, mood sand and many other messy fun activities. Parent's wont leave empty handed, as each class will provide ideas for finding sensory activities at home. Please come dressed for fun and ready to get messy. Parents Participate with children.
