OCTOBER NEWSLETTER: Ms. Connie & Ms. Jamie Tues/Th 8 AM

CREATIVE DISCOVERY

We are having a great time sitting with our friends during circle time and participating in stories while becoming a community!

We have been learning how to be great friends by sharing the things in which we are all interested. Also, we are learning how to be inclusive: working together building towers out of magnet tiles or making 'cherry pie' out of play dough together.

It has been awesome having Ms. Connie back in the classroom and hearing about parts of her trip and seeing some beautiful photos! **Ms. Jamie**

Hello families! It has been so nice getting to know your children these last few weeks. It was fun to share some of my photos of my amazing European adventure. A big thank you to Ms. Sydney for helping during my absence. **Ms. Connie**

September Classroom News:

*We celebrated Marvelous Maya's Birthday and enjoyed making her feel special.

*We peeled, cut, cooked and ate delicious apple sauce! Most of the kids had seconds!

Looking forward:

In October we are looking forward to sharing the change in the season. We will celebrate fall through nature walks, science, colors, and role playing.

Healthy Tid Bit: We love seeing those fresh fruit and veggie snacks...good job parents!
