

2014 Summer Day Camp Parent Manual

Revised 3/18/2014 c.g.

Dear Parents and Campers,

Welcome to the City of Lafayette's Summer Day Camp! We are extremely excited that your child will be with us to share in all the camp festivities. You will find our counselors to be wonderfully funny, caring and above all, responsible. Our number one priority will always be ensuring everyone's safety.

Please take time to go over this handbook and discuss the appropriate sections with your child. It is important your family understands all the procedures, schedules and activities prior to beginning the first day of camp. If you have been with us for years, please read the handbook as well, due to various revisions that have been made. This handbook includes items we are mandated to include as a licensed camp with the state of Colorado, as well as things we feel are important for you to know.

We believe each child deserves to be happy and content with their camp experience. Our days are filled with lots of activities and stimulation designed for the K-5th grader to feel safe in and enjoy. In order to provide this environment, there are camp guidelines which all children will be expected to follow.

Please understand all paperwork must be completed, signed and returned before your child can participate in any day camp activities. All contact and medical information must be thoroughly and accurately filled in. This information is critical in our ability to effectively care for your child.

Once again, we are excited to have the opportunity to spend the summer getting to know you and your family.

WELCOME TO CAMP!

No staff member may be listed as an authorized person. To authorize an alternate person to pick up your child, you may add them to the list or provide written consent that includes the person's name, the specific date(s), and your signature. Verbal consent will be accepted from a parent, only in an emergency.

Procedure for Individuals Not Authorized to Pick Up Participants: If an unauthorized individual comes to sign a child out, the child will remain in the program until the parents can be contacted for permission or someone with proper authorization comes for the child.

Late Arrivals

The program hours are 9 a.m.-4 p.m. Extended camp hours begin at 7:30a.m. and end at 6 p.m. *Arrival Time:* Participants should arrive between 7:30a.m.-9 a.m. Anything after 9:10 a.m. is considered tardy and is subject to the disciplinary actions outlined in this manual (unless it is excused in advance).

In all cases of tardiness or late arrival a staff member will wait at the check-in site until 9:10 a.m. At that time they will call the parent/guardian to inquire about the late participant.

Planned or Scheduled Late Arrivals: It is required the parent/guardian send a written notice at least one day prior to the foreseen late arrival.

Tardiness or Unscheduled Late Arrivals: For unscheduled tardiness, the procedure will be as follows:

- A. First Time – Parent/guardian will sign-in the late participant.
- B. Second Time – Staff will notify the Recreation Supervisor who will call the parent and discuss the situation.
- A. Third Time – Staff will notify the Recreation Supervisor who will notify the parent and the participant will be suspended for the duration of the summer. There will be NO REFUND for the current session and fees will be forfeited. The remaining payments will be discontinued if on auto pay.

Dismissal / Late Pick-up / Failure to Pick-up

Participant tardiness impacts the day's schedule and safety for all other participants, and therefore, will not be tolerated.

The program hours are 9 a.m.- 4 p.m.

Dismissal time: Participants should be picked up promptly at 4 p.m. Anything after 4:10 p.m. is considered a late pick-up and is subject to the following disciplinary procedure:

- C. Second Time – The supervisor will wait with the child until the parent/guardian arrives. They will inform the parent the Recreation Supervisor will be in contact regarding their continued

delinquent behavior. The Recreation Supervisor will notify the parent/guardian to inform them of a late fee owed. This is \$5 for every 10 minutes late. This fee is payable at the Recreation Center Front Desk, NOT to the Day Camp program staff. This fee MUST be paid prior to their child returning to the program. In addition to the late fee, the parent/guardian will also be informed if they are late a third time, their child can no longer attend this program for the duration of the year.

- D. Third Time – The Recreation Supervisor will notify the parent/guardian they have abused our policy, they have been warned and their child may no longer attend this program for the duration of the year. Extended care ends at 6pm; if a child is not picked up by 6:10 p.m staff will call the parent/guardian(s) listed on the emergency card. If staff reaches them they will proceed with the outlined policy for late pick-up, depending on whether this is a first, second or third offense. If the parent can not be located the On-Site Director/Recreation Supervisor will call the police and the child/ren will be turned over to the police by 7 p.m. Late fees will apply until the parent/guardian arrives or the police take custody.

Absences or Changes in Schedule

It is the parent's responsibility to inform the Day Camp program staff (in writing) of their child's absence or any schedule changes. Please complete an Absence/Schedule Change form (print online or ask a staff member for this form). In an emergency please call the Day Camp cell phone directly at **720-849-1552**.

**Program fees will not be pro-rated for children absent due to illness or family vacations.*

Closing Procedures

After closing hours, the staff will check the sign in/out sheets to make sure all children in attendance have been signed out. The program staff will also check all areas of the building used for the day. This will be done prior to staff leaving the building for the day.

Dress Code

Please dress children appropriately according to weather, planned activities and in comfortable running shoes (closed-toe). A swim suit and towel (packed sandals are ok inside swimming areas) will be needed on days when swimming is planned as the field trip. Please have kids pack swim shirts and hats if they are sensitive to the sun. All participants must wear their camp shirt on field trip and swim days.

Snacks and Meals

All children and staff are required to wash hands before snacks and meals. The Colorado State Department of Childcare Licensing (7.702.65 Food and Nutrition) requires all children who attend the day camp program for four or more hours to receive a meal that meets one-third of the child's daily nutritional needs. The requirement must be met regardless of whether the program or the parent provides the lunch. Staff will be checking lunches provided by parents to make sure the requirement is met. If a child does not have a snack and lunch or if the program needs to supplement a child's snack and lunch to meet the requirement, the parent will be contacted so they can supply the needs of the child's daily nutrition. If the parent is unable to bring and or supply this they will be charged a flat fee of \$10.00 for each instance the camp supplies a lunch/snack.

Sack Lunch/Snack Do's and Don'ts:

- Do: Provide a nutritious and filling lunch
Label lunches and drinks with the child's first and last name
- Don't: Please NO microwaveable foods
Please NO glass containers

Identifying Where Children Are at All Times

The Summer Day Camp program staff will directly supervise all children during program hours. They will identify the children in their groups and take attendance of their groups at regular intervals. Please stress to your child the importance of remaining with the Summer Day Camp program staff at all times.

When participants are not present at the designated base location, a sign will be posted on the door indicating where the children and staff can be found.

Personal Belongings and Money

Ultimately, the individual participant is responsible for any personal belongings they may bring to the program. **Please clearly label personal belongings** (swimsuit, towel, sunscreen, lunch box, water bottles, backpack, etc.), as a preventive measure for tracking personal items. We ask children to keep all items in a labeled backpack. Participants are NOT to bring personal items (toys, cell phones, CD players, MP3 players, radios, Gameboys, etc.) The City of

Lafayette and the Day Camp staff will not be responsible for lost, stolen or damaged belongings. We keep a "Lost and Found" box at the camp base, where all recovered items are placed. PARTICIPANTS ARE ASKED NOT TO BRING MONEY TO CAMP.

Guidance / Discipline Procedures

The Summer Day Camp program is designed to enrich, educate and entertain children. The Summer Day Camp program has the right to refuse service to any student who has been expelled from any school for disciplinary reasons.

In order to make the Summer Day Camp program a positive experience for all children, we ask that three basic principles be observed:

- Keep yourself safe
- Keep others safe
- Keep the materials and equipment safe

If a child interferes with the quality of care or is putting the safety of children or staff at risk the Recreation Supervisor will contact the parents/guardian to discuss alternate care options.

1. Each child will be given three verbal warnings about the behavior, except when such behavior poses a safety concern. Parents will be notified about the inappropriate behavior each time. The Summer Day Camp program does NOT use emotional, verbal or physical abuse as forms of punishment. Withholding food, physical activity, and corporal punishment are NOT allowed within the Summer Day Camp program.

We also use:

- Redirection and other activities
 - Positive Reinforcement
 - Time Away
 - Time Out – not to exceed one minute for each year of age
 - Chill Time – child reads colors or constructs a puzzle.
2. If the behavior continues, the child will be given a behavior notice* to take home and parents will be contacted. The child will lose certain privileges.
 3. If the behavior continues, the child will be given a write-up and the parents will be contacted to pick up the child.
 4. After (2) write-ups, a conference will be held and the child may be placed on an individualized behavior plan. The child may also be suspended depending on the offense.
 5. After (3) write-ups the Recreation Supervisor and the Recreation Superintendent will be notified and care may be discontinued. The parent will be notified in advance if care is to be discontinued.
 6. There will be NO REFUND for the current session and fees will be forfeited. The remaining payment will be discontinued if on auto pay.
 7. At the parent's request, a review committee will meet to determine eligibility for re-entry to the Summer Day Camp program for the following summer.
 8. When behavior presents a safety concern, Day Camp staff reserves the right to skip steps in the discipline process. Every effort will be made to help the child change his/her behavior, but it is the child who is ultimately responsible for his/her conduct.
 9. To clarify, inappropriate, disruptive behavior includes but is not limited to the following: damaging/stealing property; throwing objects; leaving room, playground, or school grounds without permission; disrespectful, abusive, harassing behavior and inappropriate language; hitting, bullying, roughing, or physical abuse.

* Staff will document all behavior problems and incidents.

Visitors / Volunteer Policy

The Summer Day Camp program welcomes visitors to come and see our program. All visitors are welcome, but they must comply with the procedures for the safety of the children. All visitors must check in/sign in with the day camp on-site director. Visitors must provide the following information: first and last name, current address, the date of their visit, and the purpose for their visit. They must also show the Day Camp on-site director a photo ID and receive a visitor's badge to wear while on site. It is very helpful if the Recreation Specialist or Supervisor has advance notice of visitors so arrangements can be made. Visitors must stay in the same area as the Day Camp program staff and children.

All volunteers are required to complete a City of Lafayette Volunteer Application and undergo a background check. If you are interested in volunteering, please contact the Recreation Specialist/Supervisor.

Accidents and Illnesses

To help prevent accidents and injuries, safety rules will be reviewed with the children. In case of an injury, the following actions will be taken:

1. A trained staff member will assess the situation.
2. If there is any question about the seriousness of the injury Emergency Medical Service (911) will be contacted to respond and provide necessary evaluation.
3. For minor injuries, trained staff will apply first aid whenever necessary.
4. Parents/guardians/emergency contacts will be notified of the severity of the accident.
5. If the parents/guardians/emergency contacts can not be reached Emergency Medical Service (911) will be contacted to respond and provide necessary evaluation.
6. Appropriate documentation will be completed and an accident/illness log will be maintained.

Children enrolled in Summer Day Camp are expected to be able to maintain appropriate bodily functions. We do understand however there may be an occasional accident. Should a child have repeated "accidents" which require more care than the staff can provide without compromising the health and safety of other children, the child's placement in the program may be reconsidered.

Ill children are not to attend Summer Day Camp and will be sent home if exhibiting any of the following:

1. Temperature of 100 degrees or higher.
2. Vomiting or diarrhea.
3. Uncontrollable or persistent cough.
4. Appearance or complaint of acute illness or severe pain.
5. Communicable diseases that have not been treated with antibiotics for at least 24 hours. (Serious communicable diseases will be reported to the Colorado Department of Health)
6. Head Lice.
7. Any behavior that requires more care than the staff can provide without compromising the health and safety of other children.

If a child should become ill while attending the program, the parent will be contacted and the child must be picked up immediately. The child will be cared for comfortably until the parent/guardian arrives.

Storing and Administering Medication

Parents need to meet with the Recreation Specialist/Supervisor in advance to set up a Health Care Plan specific to your child. If the proper paperwork has not been completed by the child's first day of camp, they will not be able to attend. Parents should check with their health care provider to see if a dosage schedule can be arranged that does not involve the hours the child is in the program. In the event medication, whether it is prescribed or an over the counter product, does need to be administered during program time by staff it must meet the following conditions:

1. Medication must be placed in the original container and properly labeled with the prescription number, name of pharmacy, patient's name, doctor's name as well as the dosage clearly marked.
2. All medication needing to be administered during program hours will be kept in the day camp program area in a locked cabinet, unless it is an emergency type (Epi-Pen) medication, then staff will carry in first aid pack. The program is unable to share medications for siblings, therefore adequate amounts of medication must be provided for each child. Children will be prohibited from carrying medication, as the medication may be abused or endanger other children. Inhalers may be exempt with a written statement from an authorized medical provider.
3. All medication forms must be completed in full and submitted annually or revised when any changes occur in the medication or its administration. All medication received from the parent must be logged in and signed for by the parent and authorized Day Camp staff member to ensure an accurate amount.
4. Only trained Day Camp staff members will be allowed to handle and distribute medication. Day Camp program staff members are trained to administer medications in compliance with the Colorado Department of Human Services rules and regulations. A log will be maintained for medication that is administered. All medication left after the Summer Day Camp program is over or expired will be disposed of per the Delegation of Nursing Tasks: 12-22-318 C.R.S.
5. Delegation of Nursing Tasks: 12-22-318 per Colorado State Law: We will follow all guidelines in the administration of medication per the requirements set forth in section 12-22-318. Please contact the Colorado State agency below for a complete list of the guidelines in this area.

The Colorado State Board of Nursing: (303) 894-2430

Sunscreen

Parents are required to provide sunscreen (insect repellent optional). Summer Camp staff will supervise the application as needed. Under specific circumstances and with written permission, Summer Camp staff will apply sunscreen to younger children or students with special needs. Please apply sunscreen to your child daily before arriving to the Summer Day Camp program. It is the parent's responsibility to provide sunscreen with the specific amount of SPF they wish their child to have. Please have your child's first and last name clearly labeled on the bottle.

Procedures for Emergencies

The Summer Day Camp program will periodically conduct emergency practice drills with the children and staff members to ensure safety of all children.

Tornado/Fire: In the event of a tornado or fire, the Summer Day Camp program staff members will follow the procedures set forth by the City's Emergency Action Plan in getting the students to a safe and designated area.

Evacuation: In an emergency situation where the Summer Day Camp program will need to evacuate the recreation center premises the Day Camp program will relocate to their home base site.

Excessively Hot: In the event of excessively hot weather, children will remain indoors and be encouraged to drink plenty of water.

Inclement Weather/Closures: In cold weather days please ensure that children have appropriate dress for outside activities (i.e. mittens, coats, hats, etc.). Children will not be permitted outside if the temperature is below 32 degrees.

Natural Disaster: In case of a natural disaster, the children will follow the City's Emergency Action Plan and will proceed to the areas mapped out for safety by the City.

Lost Child: In the event of a lost child, the parents, local police authorities, and the Recreation Supervisor/Specialist will be notified. All attempts will be made to locate the child as quickly as possible. If your child leaves the Day Camp program without permission, we will treat the situation as a lost child and notify parents and local police authorities immediately. Children who are expected to attend Summer Day Camp but do not show and are not excused by the parent or guardian may also be treated as a "lost child". Appropriate documentation will be completed and filed with proper authorities.

Internal/External Threats: Lockdown drills will be implemented for internal threats. Lockout drills will be implemented for external threats. Both are done in accordance with the City's Emergency Action Plan.

Reporting of Child Abuse

As a child care facility, each staff member is required to read and sign a statement clearly defining child abuse and neglect pursuant to state law and outlining the staff member's personal responsibility to report all incidents of child abuse or neglect according to state law.

Should you suspect child abuse at our facility, a report of suspected child abuse must be made to the county department of social services, police department, or other law enforcement agency in the community or county in which the child care facility is located.

Should you suspect child abuse that did not occur at our facility, a report of suspected child abuse must be made to the county department of social services in the county in which the child resides or the local law enforcement agency in the county in which the incident is believed to have occurred. Boulder County Social Services (303) 441-1000.

Photos / Video Taping / Video Viewing

From time to time, the City of Lafayette Recreation Department may photograph or video tape activities and events for inclusion in promotional materials. If you prefer not to have your child (ren) involved, please let us know in writing.

Videos will not be viewed during day camp program. An exception would be for educational purposes.

Safety When Riding in a Vehicle / Vehicle Supervision

Important safety rules are reviewed prior to each field trip. When on field trips, all participants and drivers will use a seat belt. Behavior in the vehicles will be such as to not distract the driver. Other staff will be present to assist the children.
