Hang Your Art on Public Road

We are featuring the work of local artists
on the banners that line Public Road this Fall

We invite you to submit your work for consideration

We are looking for crisp images that are appropriate for a street banner,
colors that feel like Fall, and graphics that are large enough to be seen from the road.

To submit your work, return this form and the required images by July 29:

Name _____

Address _____

Phone _____

Email _____

Your name as you want it to appear on the banner: _____

Print each image to fit on an 8.5 x 11 sheet of paper (image must be 7.5" x 10.5")

Submit your image(s) on a CD; each electronic image must be 7.5" x 10.5", and **at least** 300ppi. Label the CD and print-outs with your name. Due to our tight timelines, we'll be more likely to use submittals that follow these specs.

Submitting this form authorizes the City of Lafayette to reproduce the artwork on banners to be displayed on Public Road and at the Lafayette Public Library. No compensation is provided other than the opportunity to display your work in this public venue. Submitted materials will not be returned.

Drop off your submittal at the Lafayette Public Library Check Out Desk,
