

Lafayette Waste Reduction Advisory Committee Meeting

May 2, 2019

Minutes

Call to Order: by Chair Gianola at 6:32 PM.

Attendance: Adam Gianola, Rebecca Tyer, Matt LeBeau, Kathy Wertz, Krystal Maxwell, Becky O'Brien, Julie Klein, Jenn Dingman, Doug Short and Tony Raeker

Minutes: The minutes of April 4, 2019 were approved unanimously with a motion from Becky with a second by Krystal.

Public Comment: There were no public comments.

Staff Update: Tony covered the ReTRAC ordinance, some of the long-term plans for other waste ordinances and reporting, and recent Recycle Colorado event.

Council Presentation: WRAC is scheduled to present on June 24th. Matt will update last year's presentation with current information and any new items.

July Meeting: The next meeting would have occurred on July 4th. Becky moved that the meeting be moved to July 11th with a second from Adam and unanimous approval.

Art Night Out: It's been more difficult getting volunteers for ANO this year, but Adam believes everything is fine at least for May 10th.

Earth Day Events: Earth Day events at local school were a big success. The Committee expressed interest in expanding it to other schools next year.

Food Recovery Update: Food recovery still very successful with over 3,700 items collected. Still trying to get caterers on board. The program initially delivered the recovered food to the residents at Josephine Commons and has recently added deliveries to Aspinwall as well for the kids and families involved with their after school program.

Movie Series: The film series will continue next year and the Committee will explore having some connection to the Boulder International Film Festival (BIFF).

Retreat Planning: There was some discussion on scheduling the retreat (probably in the fall), and on potential topics. Among the topics are reducing consumption, coordination with other committees (particularly LESAC), and greater emphasis on outreach.

Meeting Adjourned at 7:56 by a unanimous vote with a motion by Becky and a second by Julie.
