

Historic Preservation Board Historic Building Improvement Grant

APPLICATION DEADLINE JUNE 22, 2018

The Lafayette Historic Preservation Board (HPB) is offering 2 competitive grants of **\$1000** for a historic building improvement project that meets the following criteria:

Age of Building (House, Outbuilding, Barn, etc.):

- 50 years old or older

Location:

- Within Lafayette city limits

Project Characteristics:

- Helps extend the life of the building
- Reuses historic materials to the extent possible; if not possible, uses identical or similar materials
- Removes non-historic features or materials to expose historic ones

Projects can be structural or cosmetic. Commercial buildings, houses, and outbuildings are eligible. Examples include, but are not limited to, foundation repair, window or door repair, weather sealing, painting, chimney repair, gutters, roof repair/replacement, reconstruction of historical architectural features, restoration using historic materials. All necessary building permits must be obtained.

More Information:

- The HPB will reimburse you for your eligible project costs, up to \$1000, within two weeks of your submission of project receipts (for materials and/or labor).
- Receipts must be submitted to the City of Lafayette by November 30, 2018.
- The HPB may publicize this grant and your project in the local media or on the city's website.
- The owner of the building must approve the application but the owner, tenant, or owner's representative may submit it.
- The HPB has an inventory of reclaimed historic materials, available at no charge for re-use on projects in Lafayette. Visit www.cityoflafayette.com/historic for materials listing and application.

Criteria for Award (maximum 30 points total):

- Impact of project on lifespan and/or appearance of property: **maximum 15 points**

- Use of historic materials where applicable. If improvements are not cosmetic, points will be awarded for function and projected longevity that the project offers: **maximum 10 points**
- Use of a Lafayette-based business or DIY: **maximum 5 points**

Application Review Process:

The HPB staff liaison will screen applications to verify project eligibility. If any additional information is required, the liaison will contact the applicant directly. At the next monthly meeting following the application deadline, the HPB will evaluate applications and determine which projects will be funded. Applicants may make statements at this meeting.
