

## *Creative/Kinder Afternoon Classes*

*12:30-3:30 PM  
KNEEBONE ROOM*

### **NO SCHOOL REMINDER:**

***NOV. 10; Nov. 20-24***

*In October we have enjoyed using our senses to observe the changing colors of the Fall season. We painted a ceramic tile inspired by pointillism. Pointillism is an art technique where small, distinct dots of color are applied in patterns to form an image. We also enjoyed building a small clay pot and making leaf rubbings.*

*We began practicing our fire, tornado and safety drills in October. We will give you a heads up on days these will occur. If you have any questions regarding our procedures, please don't hesitate to ask us.*

*In November we are looking forward to expanding our imaginations through fun science experiments and different art techniques.*

***Show & Tell...a time to take turns, develop vocabulary and tell stories***

*Nov. 2&3: Bring a leaf*

*Nov. 8&9: Something for which you are thankful*

*Nov. 16&17: A single prepared fruit (cut up) to add to our Fabulous Fruit Feast*

*Nov. 30&31: Something warm and cozy*

*Please feel free to email us anytime with questions, concerns, comments or if your child will be out...*
