Creative Discovery Class 2017-18

November Newsletter

In October we were able to enjoy our beautiful Fall weather as we explored our outdoor classroom. Ask your child about our “bear hunt”! We had some pumpkin fun, popped popcorn and enjoyed some silly dress up days! We also began practicing our fire, tornado and safety drills. We practice these drills and make them routine and calm. We will give you a heads up on days these will occur. If you have any questions regarding our procedures, please don’t hesitate to ask us.

In November we are looking forward to cooking projects, expressing our thankfulness and using our senses to observe the changing colors and seasons.

Please feel free to email/call us with questions, concerns, comments or if your child will be absent.
