

- Welcome back from spring break! Our March was awesome as we explored space through star constellations, space playdough, moon rocks, new books and songs, Starry, Starry Night paintings and straw rockets! We also had a great time celebrating St Patrick's Day!
- In April, we look forward to some wonderful farm fun as we enter into spring!
- Please ensure your child brings a labeled bottle of water daily, continue to provide nutritious snacks (packing enough to keep these growing little ones full!) and remember Colorado's changing weather requires additional clothes for your child.
 - **Bike Days: May 10th /11th**
 - **Last Day of Class: May 16th**
 - **End of Year Celebration: May 17th**
- Please feel free to email us anytime with questions, concerns or if your child will be out...
