

*Please join your child's class for our
KA Spring Sing ~ Along!
Monday May 14/Tuesday May 15
11:00am ~ 11:30am*

Please ensure your child brings a labeled bottle of water daily, continue to provide nutritious snacks (packing enough to keep these growing little ones full!) and remember Colorado's changing weather requires additional clothes for your child.

*It is unbelievable that May, and the end of the school year, are here! It has been such an honor to play, explore, and learn with your children.
I truly appreciate this early childhood educational adventure that I've shared with your children this year...
Have a fabulous and safe summer☺
Ms. Sue~*

*A teacher takes a seed of promise,
tends its with encouragement,
and watches as it grows...
knowing that one day,
it will be the fruit
that feeds the world...*

Please feel free to email us anytime with questions, concerns or comments or if our child will be out...
