

## Request of Reconsideration of Library Materials

The library collection is intended to serve the wide spectrum of needs of the Lafayette community, and therefore contains a variety of materials to accommodate that spectrum. The collection may contain original, critical and unorthodox ideas, any of which may not appeal to the entire community, and therefore public opinion cannot be the sole guide for the selection of material. The inclusion of an item is not to be considered an endorsement, official or otherwise, by the Library. The Library neither approves nor disapproves the views expressed in materials included in the collection.

Library patrons in good standing who are residents of Lafayette may question the presence of an item in the Library's collection by completing a Material Selection Inquiry Form. The Library Director will consider the request and respond to the Inquiry within a reasonable time. If the complainant is not satisfied with the response, the Library Board will conduct a final review.
