November Newsletter

In October we were able to enjoy our beautiful Fall weather as we explored our outdoor classroom. We had some pumpkin and apple fun, made cool playdough, popped popcorn and enjoyed some silly dress up! We also began practicing our fire safety drills. We practice these drills often to make them routine and calm.

In November we are looking forward to expressing our thankfulness and using our senses to observe the changing colors and seasons.

Please feel free to email/call us with questions, concerns, comments or if your child will be absent.
